

DRIVER EDUCATION HAZARD PERCEPTION TEST

TRAINING PROGRAM

VOCATIONAL
RELEVANCE

Before you can attempt the Transport for NSW Driving Test you must pass the computer based 'Hazard Perception Test'. This test consists of 15 video scenarios of driving situations and requires you to demonstrate safe decision making when driving.

This is a non-accredited program, designed to help prepare people with low literacy and/or digital literacy challenges. Students prepare by using the online practice test. The program is delivered one on one or in small groups, on demand. Each student receives digital literacy education and access to computers and staff at the College to practice the Hazard Perception Test.

To be eligible for this course you must be a current or past ACE Community Colleges L or P Program student. If you are under 25 you cannot attempt this test until you have 80 hours of driving recorded in your logbook.

TRAINER ACCESS AND LEARNING SUPPORT

Your trainer can provide email and telephone support throughout the course. All enrolled students also have access to a Student Support Officer who can provide advice and assistance or facilitate external support.

GENERAL SUPPORT SERVICES

Pre-admission surveys allow us to evaluate language, literacy and numeracy capabilities prior to enrolment. This is done with reference to the Australian Core Skills Framework, helping us to determine individual needs relative to the demands of the course and to estimate support requirements. Once enrolled, students can then access foundational support adapted to their individual needs and circumstances.

ENROLMENT AND PARTICIPATION

APPLICATION

Enrolment is contingent upon an application being accepted. Factors considered in the evaluation of enrolment applications include meeting programme entry requirements, eligibility for a training subsidy (where applicable), the outcome of screening processes (for example, police checks), past payment of fees and acceptance of the terms of enrolment.

ENTRY REQUIREMENTS

- You must have your learner's permit
- You must be a current or past ACE Community Colleges L or P Program student
